2	4	-2

Planned Tasks for Next Week – (Task Owner)

Gantt Chart

User case diagram

Project Risks – (High, Medium, Low)

Time **high**

Project proposal doesn't get accepted **medium**

Overdue Tasks

None

Issues

We all waited til last minute to work on it because we are all busy with our own jobs.

Follow-up Actions – (Responsible Person)

Will allocate more time during the week to work on stuff.
